**RED HERRING 100 GLOBAL VCs**

Red Herring has made the first in the three steps in coming up with the World's Top 100 Venture Capital firms. First, we are releasing the best 200 performers from over 30 nations from 1,800 candidates that have all invested in two or more technology companies in the past five years. Subsequent to this announcement we will cut the pool of 200 finalists down to the Top 100 winners, and soon after we will then provide an individual ranking of each of the Top 100.
